2026 KMOU Academic Departments and Conditions for Incoming Exchange Student Program

No.	Faculty	Department	Detailed Major	Restriction
1	Maritime Sciences	Marine System Engineering	Maritime mobility Engine and Advaned Materials Technology	**- Courses are taught in English : Yes** - Fluent of English Language
2	Ocean Science and Engineering	Naval Architecture and Ocean Systems Engineering	Naval Architecture and Ocean Systems Engineering	- Fluent of Korean language
3	Ocean Science and Engineering	Oceanic Architectural Engineering	-	- Currently study fields similar at their home university - Fluent of English language OR Korean language(TOPIK Level 3 or above)
4	Ocean Science and Engineering	Convergence on Marine Science	Ocean Science	- Fluent of Korean language(TOPIK Level 4 or above)
5	Ocean Science and Engineering	Convergence on Marine Science	Marine Biotechnology	**- Courses are taught in English : Yes**
6	Ocean Science and Engineering	Convergence on Marine Science	Aquatic Bioscience	- Fluent of Korean language
7	Ocean Science and Engineering	Ocean Advanced Materials Convergence Engineering	-	- Fluent of Korean language(TOPIK Level 3 or above)
8	Ocean Science and Engineering	Electronics and Electrical Information Engineering	Electrical and Electronics Engineering	- Fluent of Korean language(TOPIK Level 5 or above)
9	Ocean Science and Engineering	Electronics and Electrical Information Engineering	Electronics and Communications Engineering	- Fluent of Korean language(TOPIK Level 3 or above)
10	Ocean Science and Engineering	Electronics and Electrical Information Engineering	Nano-Semiconductor Engineering	- Fluent of Korean language(TOPIK Level 3 or above)
11	Ocean Science and Engineering	Electronics and Electrical Information Engineering	Data Science	- Fluent of Korean language(TOPIK Level 3 or above)
12	Ocean Science and Engineering	Artificial Intelligence Engineering	Intelligent Control System Engineering	- Fluent of Korean language(TOPIK Level 3 or above)
13	Ocean Science and Engineering	Artificial Intelligence Engineering	Computer Engineering	- Fluent of Korean language(TOPIK Level 3 or above)
14	Ocean Science and Engineering	Logistics System Engineering	Logistics System Engineering	**- Courses are taught in English : Yes** - Fluent of English language OR Korean language(TOPIK Level 3 or above)
15	Maritime Humanities & Social Sciences	Shipping Management	Shipping Management / Information / Finance	**- Courses are taught in English : Yes**
16	Maritime Humanities & Social Sciences	Maritime Law	Law / Maritime Law	- Fluent of Korean language(TOPIK Level 5 or above)
17	Maritime Humanities & Social Sciences	International Trade and Economics	International Trade /Economics and Finance	- Fluent of Korean language(TOPIK Level 3 or above)
18	Maritime Humanities & Social Sciences	Maritime English Language and Literature	Maritime English Language and Literature	**- Courses are taught in English : Yes** - Fluent of Korean language OR English Language
19	Maritime Humanities & Social Sciences	East Asian Studies	East Asian Studies	- Fluent of Korean language(TOPIK Level 4 or above)
