# HISTORY IN BRIEF

The Official opening of the university took place in presence of the Queen Elizabeth II

The University of Peradeniya is the heir to a sixty year old University tradition which commenced with the inception of the University of Ceylon, the first institution of its kind established in Colombo on 1<sup>st</sup> July 1942. It moved to the banks of Mahaweli River, the longest in the Country, in 1952. However the history of its evolution as the oldest and the largest University in the country pass through the following stages.

**1942 to 1952 - University of Ceylon**

**1952 to 1972 - University of Ceylon Peradeniya**

**1972 to 1978 - Peradeniya Campus, University of Sri Lanka**

**Since 1978 - University of Peradeniya**

Sir Ivor Jennings the first Vice-Chancellor, on his first visit to the campus site in 1944 with the site plan of the architect Sir Patrick Abercrombie's, has written,

**“No University in the world would have such a setting”.**

The convocation for the first batch of graduates took place November 21<sup>st</sup> 1952. The postponed official opening of the university took place in presence of Queen Elizabeth on April 20th 1954.

The University is located in Peradeniya in the Central Province, which bares lush greenery vegetation and mist-clad mountains, approximately 6 km from the City of Kandy, the historic Capital of the last independent Kingdom and 110 km from Colombo, Capital of Sri Lanka, and can be reached within two to three hours by public road or by railway.

The access to the University premises is through Galaha Road from the turn off near the historic Royal Botanical Gardens of Peradeniya, a popular tourist and lovers' attraction, famous for its rare tropical plants and orchids.

The University covers about 700 hectares of land and the developed area covering approximately 130 hectares that is occupied by buildings of the Faculties, Halls of Residence, Staff bungalows etc.

Throughout the campus, most trees begin to bear flowers in early March signaling the coming of spring. Lovers' Lane, Kissing Bend, open-air theater and the

Sir Ivor Jennings  
- the first Vice Chancellor of the University

lower Hantana Road display a rare aesthetic beauty through the rich foliage.

By present, University of Peradeniya has evolved into an educational giant comprising of 9 faculties, 4 postgraduate institutions, 15 centers, 84 departments with distant education programs, an extensive library network, sports and recreational and residential facilities. It teaches around 12,000 students in a year in the fields of Medicine, Agriculture, Art, Science, Engineering, Dental Sciences, Veterinary Medicine and Animal Science, management and Allied Health Science. It is declared to have the largest government endowment by a higher education institute in Sri Lanka and has consecutively won number one among University rankings of the country.

# MESSAGE FROM THE VICE-CHANCELLOR

The University of Peradeniya (UOP) was officially inaugurated in 1952 in its beautiful and picturesque location spanning around 700 hectares. It is the largest and comprehensive residential university in Sri Lanka and it consists of nine different Faculties and four Postgraduate Institutes. The UOP offers a total of 58 degree programmes in addition to its MScs, MPhils and PhDs, etc. The University of Peradeniya confers over 2500 Bachelor's Degrees and around 500 or more postgraduate degrees on students/graduates annually, in addition to its external degrees. The UOP has a student population of over 12,500 coming from all over the country, from various socio-cultural, ethnic and linguistic backgrounds, and fosters social harmony, cultural diversity, equal opportunities and unity.

The prime devotion and dedication of the UOP is to always make a significant contribution to the knowledge sector by producing competent workforce necessary for the country to build the nation. It is with pride I mention that the UOP has always produced world class graduates in different fields of study who are capable of comfortably compete with any other graduates from anywhere in the world. However, in the context of the world, the scenario of higher education is now in a transformational phase, as compared to the past. Sri Lanka is also in a compelling era where existing practices have to be changed and adapted to suit the current requirements, and address futuristic

needs and escalating demands of the world. The UOP is always ready to make changes necessary to face the demands of the fast growing and rapidly changing world while preserving its inherent social and cultural values.

Being the best in teaching, research and dissemination of new knowledge and innovations in Sri Lanka, the UOP is now ready to the clamber up the ladder of world class universities to reach and acquire its due position in the international arena. The UOP is fully geared to give its very best to all who enter the University of Peradeniya and hope they will give their best, back to the country towards its development after their graduation. I as the Vice Chancellor, proclaim that I am ready to provide the necessary leadership to achieve the goals and objectives in line with the Vision and Mission of the University of Peradeniya.

Thank you.

Professor M.D. Lamawansa

## UNIVERSITY,

### Mission

The mission of the University of Peradeniya is to contribute to national, regional and global society through the pursuit of education, learning and research, and the dissemination of knowledge at the highest international levels of excellence.

### Vision

The University of Peradeniya's Vision is to provide a uniquely transformative experience for its students, staff and partners, whilst serving the public through producing and implementing innovative research and outreach programmes that are anchored in its founding values and principles.

## FACULTIES

- Faculty of Agriculture
- Faculty of Allied Health Sciences
- Faculty of Arts
- Faculty of Dental Sciences
- Faculty of Engineering
- Faculty of Management
- Faculty of Medicine
- Faculty of Science
- Faculty of Veterinary Medicine & Animal Science

## PG INSTITUTES

- Postgraduate Institute of Agriculture (PGIA) - 1975: 1st PG institute in the country
- Postgraduate Institute of Science (PGIS) - 1996
- Postgraduate Institute of Humanities and Social Sciences (PGIHS) - 2011
- Postgraduate School of Medical Sciences - 2016

## KEY CENTERS AND UNITS

- International Relations Office
- Centre for Distance & Continuing Education
- Centre for Environmental Studies
- Staff Development Centre
- English Language Teaching unit
- Career Guidance and Counseling Unit
- Internal Quality Assurance Unit
- Network and Communication Services Unit
- Sri Lanka - Japan Study Center
- Information Technology Center
- Agriculture Biotechnology Center
- Center for study of Human Rights
- Department of Physical Education
- Center for Research in Oral Cancer
- Multidisciplinary National Innovation Center

# INFRASTRUCTURE FACILITIES

## Canteens

University students could get their meals at special rates within the university premises. There are 22 cafeterias and canteens in all faculties and halls of residence which are administrated by the student services branch.

## Halls of Residence

The University provides residential facilities to most of the students. There are twenty three residential halls on the Campus which provide accommodation for around 8500 undergraduates which is nearly 65% of the student population.

## Health Center

The Health Centre operates a full-fledged laboratory services, 24 hour ambulance service and a preventive health care service. The services provided by the centre include,

- An Outpatient Treatment Department (OPD)
- A 24-hour indoor treatment facility
- A pharmacy
- A 24-hour ambulance service
- Immunizations
- Psychological Counselling
- Preventive health care

## Library

Peradeniya University Library Network is considered as the oldest and the largest university library in Sri Lanka.

## Sports

The Department of Physical Education facilitates all the sports & recreational activities within the university and hire sports venues for concessionary rates for outsiders.

## Career Guidance

The goal of Career Counseling or Career Advising is to help our students get to know and understand themselves and the working environment in order to make good career, educational, and life decisions whilst also facing challenges.

## Computer & Internet

The University Computer Center is open to all university students and academic staff where computers with most current software and broadband internet facilities are available.

### Also below facilities are available too;

- Barber Saloon, Laundry and Tailoring
- Police and Security Service
- Book Shops and Grocery Shops
- Post Office and Telephone Exchange
- Places of Worship

## Swimming Pool Complex

The Swimming pool is a 50m standard size & has 08 lanes. Its shallow end is 1.5 m in depth and at the deep end, the depth is 5.5 m. The swimming pool has an adjacent two storied- building which consists of changing rooms and wash-rooms for swimmers. The pool is available for university students, staff members, and for outsiders as well upon request.

# LEADING RESEARCHERS

(Scientists in world top 2% tier or with more than 100,000 citations)

Prof. J. B. Ekanayake

Prof. N. Senanayake

Prof. C. B. Dissanayake

Prof. S. A. M. Kularatne

Dr. S. A. H. A. Suraweera

## Based on career-long citation impact up until the end of 2020

	Rank	H index	No of Citations of	
			Single authored	First authored
Prof. J.B. Ekanayake	74,027	39	77	1956
Prof. N. Senanayake	115,482	23	217	1258
Prof. C.B. Dissanayake	148,345	21	320	697
Prof. S.A.M. Kularatne	167,439	21	260	846
Dr. SAHA Suraweera	258,330	32	0	1968

## Based on citation impact up in 2020

	Rank	H index	No of Citations of	
			Single authored	First authored
Prof. J.B. Ekanayake	74,076	17	5	150
Prof. C.B. Dissanayake	104,451	9	58	118
Prof. S.A.M. Kularatne	108,535	8	42	152
Dr. R.P.N.P. Rajapakse	259,318	11	0	160
Dr. B.E.P. Mendis	327,164	11	0	106
Prof. N. Senanayake	349,607	6	17	63

A group of Researchers from Stanford University, USA has published an analysis using citations from Scopus, assessing scientists for career long citation impact up until the end of 2020 and for citation impact during the single calendar year 2020.

Updated databases and code are freely available via <https://elsevier.digitalcommonsdata.com/datasets/btchxktzyw/3>. This version is based on the Aug 01, 2021 snapshot from Scopus and is updated to citation year 2020.

The selection is based on the top 100,000 by c-score (with and without self-citations) or a percentile rank of 2% or above.

In the database published on 19 Oct 2021, the scientists given in Table 1 and 2 from the University of Peradeniya are listed. The rank is based on the composite score calculated using h index, hm index, total citations, total cites to single authored papers, total cites to single and first authored papers, and total cites to single plus first plus last authored papers.

Dr. B. E. P. Mendis

Dr. R. P. N. P. Rajapakse

# RESEARCH SESSIONS

iPURSE 2021 was brought together eminent scholars from numerous disciplines, providing them with a platform for sharing research-based knowledge and building partnerships and collaborations with the aim of advancing scientific research and promoting novel interventions in a range of fields.

iPURSE 2021 invited research submissions under the following broad thematic areas:

- Language, Culture, and Thought
- Socioeconomic Progress and Governance
- Education for Transformation
- Science, Technology, and Industry
- The Environment and Natural Resources
- Health and Society
- Food, Nutrition, and Livestock
- Covid-19: Issues and Solutions

The second Peradeniya University International Management Research Sessions (iPUMSE) – 2021 organized by the Faculty of Management, University of Peradeniya, Sri Lanka was held on 26th November, 2021 via hybrid format following all health guidelines. Considering the impact of the pandemic on businesses, theme of the conference was set as “Value Co-Creation in Crisis”. The ultimate aim was to build an awareness among the academia and the industry on how businesses could survive and thrive during crisis situations.

# STUDENT BODIES & ACTIVITIES

# Degree Programmes are offering for the International Students

## Postgraduate Institute of Agriculture - University of Peradeniya

Postgraduate Institute of Agriculture is established exclusively for postgraduate education and research in the field of Agriculture with over 350 highly qualified teaching staff. Many of the PGIA alumni have reached the pinnacle of their distinguished career paths holding prestigious positions nationally and internationally.

Degree Programmes are offered in the following areas

### Agricultural Biology

- Biotechnology
- Plant Biology Conservation and Breeding

### Agricultural Economics

- Agricultural Economics
- Environmental Economics
- Natural Resource Management

### Agricultural Engineering

- Agricultural and Bio-systems Engineering
- Integrated Water Resources Management
- Geo-Informatics

### Agricultural Extension

- Development Communication and Extension
- Organizational Management

### Animal Science

- Animal Science
- Aquatic Bio-resources Management and Aquaculture
- Dairy and Meat Product Technology
- Poultry Science and Technology

### Bio-Statistics

- Applied Statistics
- Bio-Statistics

### Business Administration

- Business Administration

### Crop Science

- Crop Science
- Environmental Forestry
- Floriculture & Landscape Architecture
- Horticulture
- Plantation Crop Management
- Tropical Agriculture

### Food Science and Technology

- Food Science and Technology
- Food and Nutrition

### Plant Protection

- Molecular and Applied Microbiology
- Plant Protection Technology

### Soil Science

- Environmental Soil Science
- Tropical Soil Management
- Soil and Environmental Microbiology

*"Join with us and achieve your postgraduate dream"*

## Obtain your

- **Masters (Course work; SLQF L9) in one year equivalent time: MBA (Course work; SLQF L9) in two years**
- **M. Sc. (Course work & Research; SLQF L10) in two years: MBA (Course work & Research; SLQF L10) in two and half years** -course work and one year full time or equivalent time of research
- **M. Phil. (SLQF L11) in two years**
- **Ph.D. (SLQF L12) in three years** } Full time Research

### In an integrative learning environment with:

- Internationally qualified teaching panel
- Optimal blend of theory and practical aspects
- Learning opportunities through on ground/online/ hybrid modes
- Fully fledged research facilities
- Strong collaborations with leading research institutes
- Funds for student research and research publications
- Multicultural environment
- Easy payment schemes
- Opportunity to participate at PGIA Annual Congress
- Knowledge/ Skills/ Attitude development
- Multitude of facilities including state-of-the-art laboratories, library resources and recreational facilities

## Faculty of Engineering

### Department of Civil Engineering

The PG programme in Civil Engineering is open to foreign students. Five programmes are;

1. PG programme in Structural Engineering (M.Sc.Eng./ M.Eng./PG.Dip)
2. PG programme in Environmental and Water Engineering (M.Sc.Eng./ M.Eng./PG.Dip)
3. PG programme in Geotechnical Engineering (M.Sc.Eng./ M.Eng./PG.Dip)
4. PG programme in Highway and Traffic Engineering (M.Sc.Eng./ M.Eng./PG.Dip)
5. PG programme in Sustainable Built Environment (M.Sc./Masters/PG.Dip)

Fee structure:

	M.Sc. Eng/M.Sc	M.Eng./Master	PG.Dip
SAARC countries	USD 3000	USD 2500	USD 2000
Other countries	USD 5000	USD 4000	USD 3000

### Department of Electrical & Electronic Engineering

We have the following programmes:

- The Postgraduate Diploma in Engineering - PG. Dip. (SLQF L8)
- Masters Degree (SLQF L9)
- The Degree of Master of Engineering - M.Eng. (SLQF L9)
- The Degree of Master of Science - M.Sc. (SLQF L10)
- The Degree of Master of the Science of Engineering - M.Sc. Eng. (SLQF L10)

with specialization in one of the following:

- Electrical Power Applications
- Communications and Information Engineering
- Controls and Instrumentation

In addition we have the Double Degree of Master of Science of Engineering specializing in Wireless Communications - M.Sc.Eng. (SLQF L10)

Fees for international students: PG diploma - USD3000 (need to be finalized after discussing)

Fees for the others: - USD 3750 (need to be finalized after discussing)

# Degree Programmes are offering for the International Students

## Faculty of Arts

### Department of Arabic and Islamic Civilization

- Bachelor of Arts Honours in Arabic Studies
- Bachelor of Arts Honours in Islamic Studies

### Department of Archaeology

- Bachelor of Arts Honours in Archaeology

### Department of Classical Languages

- Bachelor of Arts Honours in Greek and Roman Studies
- Bachelor of Arts Honours in Sanskrit

### Department of Economics and Statistics

- Bachelor of Arts Honours in Economics

### Department of Education

- Bachelor of Education (Hons)

### Department of English

- Bachelor of Arts Honours in English

### Department of Fine Arts

- Bachelor of Arts Honours in Fine Arts

### Department of Geography

- Bachelor of Arts Honours in Geography
- BSc. in Geographical Information Science (Hons)

### Department of History

- Bachelor of Arts Honours in History

### Department of Law

- Bachelor of Laws

### Department of Pali and Buddhist Studies

- Bachelor of Arts Honours in Pali Studies
- Bachelor of Arts Honours in Buddhist Studies

### Department of Philosophy

- Bachelor of Arts Honours in Philosophy

### Department of Political Science

- Bachelor of Arts Honours in Political Science

### Department of Psychology

- Bachelor of Arts Honours in Psychology

### Department of Sinhala

- Bachelor of Arts Honours in Sinhala Language, Literature, and Culture

### Department of Sociology

- Bachelor of Arts Honours in Sociology
- Bachelor of Social Work (Hons)

### Department of Tamil

- Bachelor of Arts Honours in Tamil

## Faculty of Management

### Postgraduate Unit, Faculty of Management

- Master of Business Administration

## Faculty of Dental Sciences

	Available Programmes	Cost	Duration
1	BDS Programme for Foreign Undergraduates – This will be implemented via UGC	12,000 US\$	5 years
2	MSc Programmes : MSc in Forensic Odontology	i.US\$ 6000 (SAARC countries) ii.US\$ 9000(other countries)	01 Year – Full Time
3	Certificate course in Surgical Management of Oral Cancer with reconstructive methods	15,000 US\$	09 Months
4	Hands on Training on Oral & Maxillofacial Surgeries for overseas applicants	i.1000 US\$ ii.2000 US\$ iii.5000 US\$ iv.10,000 US\$	i. Upto 01 month ii. 1-3 months iii.3-6 months iv. 06 Months–one year
5	Training program in clinical dentistry for foreign dental undergraduates	US\$15,000	47 Weeks
6	Elective Clerkships	US\$ 125	Per week
7	Elective Observership in Orthodontics for Postgraduate Students	US\$ 200	Per week

# INTERNATIONAL RELATIONS OFFICE (InRO)

The International Relations Office was established in 2012 as per the concept of the UGC to transform Universities as world class Universities in their chosen fields. InRO is exclusively dedicated to enhance global relations, to promote multidisciplinary collaborative research programs, and to facilitate students and staff members by providing resources, platforms and scholarly exchanges.

The InRO has been functioning as a streamlining unit for all international exchanges and research at University of Peradeniya, and has initiated and renewed links and agreements of UoP with several international institutions. The International Relations Office, since its establishment, has worked towards expanding such relations with international partner institutions. The InRO continues at promoting the global engagement of University of Peradeniya while enhancing its global visibility.

## **Mission:**

To promote international engagement of the University of Peradeniya through facilitating international academic exchange programmes and provide resources, platforms and scholarly exchange activities via improving institutional capacity building.

## **Functions of the International Relations Office:**

- To initiate and facilitate Memorandum of Understandings (MoUs) and Agreements for collaborative teaching and research activities with various institutions throughout the globe.
- To promote, coordinate and administrate the exchange of international scholars and students.
- To contact funding organizations for international mobility of students and staff (Academic and Non-Academic)
- To increase international mobility programs for students and both academic & non-academic staff of the University.
- To monitor, maintain and update international relations of the University.

## **Contact Information:**

## MoUs WITH PARTNERS

## International Collaborations

# EXCHANGE (STAFF & STUDENT)

Mobility program provide opportunities to achieve and expand the educational experience for students/staff and to enhance their understanding of global issues and perspectives related to their fields of study. In connection to outbound mobility, the international relations office has the duty to look for possible opportunities for its staff/students in order to facilitate internationalization. This can be in the form of MoUs, scholarships and other bilateral/mulilateral partnerships which can foster international cooperation.

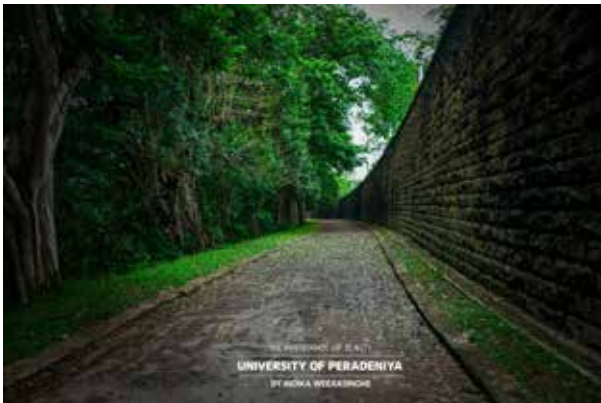

The requirements, conditions, and benefits are already agreed upon in a Memorandum of Agreement signed between the sending and the receiving universities. Inbound mobility provides an excellent opportunity for the students as well as academic staff members to engage in academic or research activities at the university, which is immensely beneficial for both staff and students. **The University will be provided accomodation facilities for visiting staff, at the university bungalows, free of charge.**

# ICONIC LANDSCAPE

Regarded as one of the most beautiful universities in the world, and the most beautiful and coolest university in Sri Lanka, the university of Peradeniya spans almost 70 hectares of land. The clean atmosphere and large number of beautiful green trees make it a paradise on earth. You get gorgeous views of the sky, forests, and Mahaweli River. Well-known for its surrounding nature, the campus is situated at the bottom of Hanthana mountain range.
