

TURKU ÅBO SUMMER SCHOOL

turkusummerschool.fi

Applicants

Turku Åbo Summer School is organized in August 2025. English skills, 18 years of age and interest in our courses is all* the student needs.

*Some courses have additional prerequisites on earlier education.

Courses

The very best on-site and online courses with diverse teaching methods and interactive learning. Each course is fully accredited and worth 5 ECTS.

Course prices

The courses are priced from 225 to 1100 euros. Course fees include teaching, grading and participation.

Sustainable Social Programme

In addition to studies we offer the most interesting activities in the Turku region in an environmentally friendly manner with local students.

We do it together

In a city with 40 000 students and 5 universities we collaborate. The five universities offer the best courses of their key areas with top teaching.
